

US Made Door Canvas Press Button Fitting

41-64 MB, GPW, CJ-2A, 3A, 3B, M38, M38A1

(Part#: A3051, A3052)

ALTERNATE METHOD OF SETTING USING A ROD OR DOWEL AS A SETTING TOOL

Mark a line on a steel rod or a hard wood dowel that is little shallower than the depth of the socket and follow the procedure above. When finishing the final stages of the setting, **DO NOT** go past the mark on the rod otherwise the socket may be damaged!
